# GENERAL AIMS & OBJECTIVES

2nd stage – Youth Exchange – is aiming to create space for youth to explore role of international organizations and governmental bodies in migration management process, their policies towards migrants, refugees and IDPs. Moreover, leaders will host workshops for them on topics like international migration law, human rights, media and migration, organizing effective public events.

Youth will also visit IDPs settlement and have an opportunity to establish authentic connection with the IDPs and host their own social events in the school located in IDPs settlement. The design of the project is aiming to motivate youth to analyze the action plan of the international community in the migration management and see how their individual input can contribute to this process.

Organizers, facilitators will do their best to spread respect towards different nationalities, religions, minorities and generally, people with different background, in order to peacefully impact on participants' attitudes towards discrimination and xenophobia. They will stimulate peace building process in the team and give them tools to do the same and have impact on their communities.

## General objectives:

- Explore migration policy of EU and role of civic society in the policy-creation process
- Expand the network of NGOs contributing to the migration management
- Raise awareness about legal frame of migration among youth workers
- Promote the idea of integration of migrants and refugees and peace building in Europe
- Share best practices connected to the management of migration among youth workers
  - Develop media communication skills among youth workers
  - Encourage young people to be actively involved in social life
    - Motivate youngsters to be active European citizens in general
  - Promote non-formal learning and present it as a tool for participation and development
- Promote intercultural exchange, tolerance and solidarity in general
- Spread information about Erasmus+ and stimulate future cooperation

# PARTICIPANTS

## **Number of participants:**

**4** from each participating country

Czech Republic: **4** participants + **1** leader

Georgia: **4** participants + **1** leader + **2**

# ASSIGNMENT

Each national team is asked to do some little research before the project, regarding the management of migration in your country. During the project you will have time to prepare the flip-chart with this information which we will present to each other, it's NOT needed to prepare a Power-point presentation.

## **Questions to cover:**

- The current immigration policy of your country
- Main actors and stakeholders of the migration management process in your country
- Demographic picture of your country (percentage of migrants and where they come from)
- Main pull and push factors for Immigration and Emigration
- Media and Migration (how the media covers the topic)
  - Main challenges in terms of migration
  - COVID & Migration? (potential effects)

# INTERCULTURAL EVENINGS

Each team will present their country: you can play music, teach us dances, songs, games, explain traditions, make plays, performances, competitions etc.

We encourage you to avoid promotion videos, formal presentations or typical Kahoot-quizzes, **be creative!**

The presentation should not exceed 30min and after the presentations there will be space to try out the national foods of the countries.

Please bring some typical food from your country to have a taste from each other's countries (snacks, candies, tea, cheese, juices, cookies, chocolates etc).

It will not be possible to cook food at the project venue, you can of course heat something.

Please note that use of alcohol on the project is forbidden!!

Each team can bring max 2L of a typical alcoholic beverage from their country to share during the cultural evening.
